

Hawk Shuffle Cut – 3-on-3 Combo Drill

Shuffle Cut, Down Screen, Side Screen

This is an excellent three-on-three drill for practicing and refining the various techniques use to successfully execute shuffle cuts, down screens and On Ball side screens. Demonstrate and explain drill. Walk players through the various defensive reads and counters. Be sure to use both right and left sides of the court.

Shuffle Cut. O1 dribble penetrates to wing. O1 has option of driving to basket if open. If not, O2 makes a rub cut to the basket off the high post O3. O2 and O3 read and counter X2's and X3's defensive actions which are pre-determined by the coach.

Down Screen. O1 makes a reversal pass out to O3 stepping out and then sets a down screen for O2. O1 and O2 read and counter defensive deployment.

Side Screen. O3 pass to O2 on wing and then sets an On Ball screen as O1 clears out to weakside. X2 and X3 attack the on ball using one of the seven options predetermined by the coach.

Three-on-Three. If a good shot is not available off the first three options, go live Three-on-Three with all basic on ball and off ball rules in effect.
